Opiate Addiction in the United States and the Western World
Contemporary scientific and clinical concepts of addiction are inextricably connected with social developments surrounding the use of narcotics, especially in the United States, early in this century. David takes the history of art along every time he picks up his pen or charcoal pencil to rough out a sketch of a beautiful scene before his eyes. Luca Di Fulvio caught my eye, but it's not available in Belgium yet other books of him are.
