Each part of the coffee plant is assailed by different animals. Kinney's study of narrative poems written before the novel was recognised as a genre 4 finds that poetic elements do not necessarily subordinate themselves to the onward drive of narrative 6even when bound by the prosodic and stanzaic structures of the text; thus the poetic form does not so much prevent as modify the production of narrative Theorists also tend to generalise a conflictual relationship between lyric and narrative, according to Dubrow By contrast, she points out, there are instances where rather than blocking narrative,

lyric often enables it that is, where lyric can intensify and in doing so instigate narrative.
