You sense the way we belong. Tjia, A Necessary Murder Legend historical crime thriller where the twists and turns are as numerous and dark as the London streets which serve as their setting.

### **Destiny Run**

Ancient societies and religious scriptures from the Cradle of Civilization to the Far East and European cultures are rife with serpent figures, which were simultaneously attributed two highly symbolic roles: One role connected serpents to the heavens in their representation as deities, creative powers, and healing entities; the second role linked them with the underworld, associating them with darkness, evil, harm, and destructive influences. Luckily, I am putting the pieces together slowly.
