Attack on Titan #45

Everyone was in a hurry, but nonetheless, when the Great War came, many of these operations remained unfinished, and objects continued to dribble back to the Reich for years. He knew me when I was 9, he knows I am as smart if not smarter than he is, and we both should have been forwarded to college, but were held back by the teacher's unions and our parents on the false premise of needing to be with our "peers" who don't understand or really like either one of us very .

PULSE (A Stepbrother Romance)
